How many contractors do you currently serve?		
Current ComputerEase customers that you service?		

I'd like to be a **CERTIFIED ASSOCIATE**

Great way to get started, open new doors and learn ComputerEase.

- Available to licensed outside CPAs or Accounting firms who serve multiple clients.
- Install a copy of ComputerEase software in your office.
- Spend time becoming familiar with the software.
- Attend at least one online training course per year.

I'd like to be a **CERTIFIED PARTNER**

As a Certified Partner, you will be able to offer fee-based training, in-house setup and advanced software related support in addition to your regular accounting and tax services.

- Available to licensed outside CPAs or Accounting firms who serve multiple clients.
- Install a copy of ComputerEase software in your office.
- Spend sufficient time to become proficient with the software.
- Attend all training sessions done by one of our trainers while working with one of your clients.
- Attend training classes online or with a Dealer.

ComputerEase CPA Program Licensee Agreement

This agreement is between ComputerEase, an Ohio corporation, and the undersigned.

The CPA Associate Program is designed to allow a CPA to have a copy of the ComputerEase software for a \$25.00 annual charge. This program is designed to allow a CPA of an existing ComputerEase client to be able to move the client's data files to his office for review and help support his client with this software. This software cannot be sold, used for client write-up, or put on any unauthorized customer's site. It is understood that the above CPA will not disclose any information about this software to anyone except to his client.

It is understood that the CPA will be charged by his dealer for any support for a CPA associate licensee as well as any of his customers.

It is also understood that the CPA will not make copies of the software and has agreed and signed the current ComputerEase Licensee Agreement.
