ATTENTION: CPAs with Construction Clients

Join the ComputerEase CPA Partner Program

ComputerEase offers a special Partnership Program for CPAs who focus in the construction industry, especially those with clients who use ComputerEase Software. The CPA Partner Program gives you all the tools you need to work hand-in-hand with your contractor clients and stay on the same page with them regarding their financial data.

There is no charge associated with this program at any time. When you become a partner, you get a free copy of ComputerEase Software so that you can get instant access to your clients' data, eliminating uncertain and messy guesswork in between.

What our CPA Partners get from the ComputerEase CPA Program:

- FREE copy of ComputerEase in your office
- Exclusive access to our CPA support phone line
- Exclusive access to training and educational webinars
- Your clients can get started using your partner rate, as low as \$149/month
- Access to all training sessions done by one our trainers for one of your clients
- Access to our online customer training classes
- Ability to suggest improvements to business systems
- Free payroll tax table updates
- Access to over 6,000 ComputerEase customers nationwide

How many contractors do you currently serve?:		How many of your clients use ComputerEase Software?

I'd like to be a Certified Partner

As a Certified Partner, You can offer fee-based ComputerEase Training, in-house setup and advanced support to your clients.

- Available to licensed CPAs with multiple clients
- Provides a free copy of ComputerEase in your office
- Allows you to become proficient with the software
- Free access to all training sessions done by one of our trainers for one of your clients
- Free access to all of our online training classes
- Your Clients will be eligible for the Building for Growth Program, giving them a free single-user system

ComputerEase CPA Program License Agreement

This agreement is between ComputerEase, an Ohio corporation, and the undersigned.

The CPA Associate Program is designed to strengthen the relationship between CPAs and their ComputerEase user clients. The annual CPA Associate Program period is September 1 through August 31 of each year. There is no charge associated with the initial application or the renewal each September 1 following the initial application. However, the CPA agreement is applicable for all periods. This program is designed to allow a CPA with existing ComputerEase clients to move said clients' data files to the CPA's office for review and to help the CPA support his or her clients who use ComputerEase Software. This software cannot be sold, used for client write-up or put on any unauthorized customer site. It is understood that the undersigned will not disclose any information about this software to anyone except his or her clients.

CPA will not make copies of the software and has agreed and signed the current ComputerEase License Agreement.
